WITNESSING IN THE SPIRIT

LIVING WYD

IN LOURDES

FROM 15 TO THE 20 JULY 2008

for young people 16 to 35 yrs

Coming to Lourdes is not a hassle but it is a chance to discover life, to discover the message of love and peace that Mary gave to Bernadette, to discover a new way of living.

Here you will discover the power of the spirit in yourself and others.

Our Suggestions to you:

During these days in Lourdes we will have a live link with those taking part in the WYD in Australia with the Pope. To facilitate this we will have large screens to transmit the major celebrations from “down under” this will include the main Mass on Sunday as well as the way of the Cross and some catechism.

In Lourdes we will discover the message of Lourdes and something about the life of Bernadette. This will include the 150th anniversary of the last apparition on the 16th of July.

Music will also play an important part in our days together. There will be groups of young musicians along with professional musicians. This will add to the richness of our time together.

PARTICIPATING IN WYD LOURDES AS A VOLUNTEER From 10 to the 22 July

This will involve helping others in the organisation of our days in concrete ways, e.g. helping in the meeting places, the places of welcome and in the catering for our participants. You will also have a rich experience of living in community with the other volunteers. You need to be between 18-30 years old.

Please send us a C V and a letter of motivation.

It is vital that you can be here from 10 to the 22 July.

You will be responsible for your own travel expenses, but the Sanctuary will cover the cost of your lodging. All you need to pay is the 100 € registration.

ARE YOU A MEMBER OF A CHRISTIAN MUSIC GROUP? ARE YOU PROFESSIONAL OR AMATEUR?

From 14 to the 20 July

Some suggestions to you:

- to be part of the various liturgical events
- animate the catechism by way of spirituality and music
- take part in an evening concert on Friday 16th July
- animate the Jubilee Way

There will also be a special day for musicians/artists on Tuesday 15th July

It is hoped that the young people will take responsibility for much of what will happen during these days, the music, the animation, the prayer time together and the artwork etc;

Each participant will be responsible for his or her own expenses, i.e. travel, lodging, meals etc; however a free pass will be available for those coming as artists.
